| <b>Strand/measure of Europe for Citizens Programme:</b> | <input type="checkbox"/> European Remembrance<br><input checked="" type="checkbox"/> Town twinning<br><input checked="" type="checkbox"/> Networks of towns<br><input type="checkbox"/> Civil society projects  |
| <b>Application deadline:</b>                            | 01/09/2015  |
| <b>Partner search request valid until:</b>              | 25/08/2015  |
| <b>Organisation:</b>                                    | Kretinga district municipality administration (Lithuania) is looking for international partners to participate in the program Europe for citizens strand 2 “Democratic engagement and civic participation” (still considering which measure “Network of towns” or “Town twinning” would be advantageous).   |
| <b>Project idea:</b>                                    | <p><b>Attr-ACT</b></p> <p>Aim of the project – to share best practices, experiences between cities-partners to revive small cities of EU and involve community for change</p> <p>During the project, partners will be having landscape training and after it will be putting knowledge in practice by changing even the smallest part of their city’s landscape using power of volunteering. Best practices of those who implemented similar activities in their cities will be shared. Discussions about involvement of citizen in decision making process and revival of their own city will be organized. After trainings and discussions craft fair will be taking place.</p>                   |
| <b>Project period and venue:</b>                        | Project should be implemented in Kretinga (Lithuania), but if measure “Network of towns” is chosen, some activities can be organized in cities-partners. Main activities will take place in 2016 May-June.  |
| <b>Partners searched:</b>                               | <p>Project partnership should consist of municipalities and NGOs.</p> <p>Project partners should match at least one criteria:</p> <ol style="list-style-type: none"> <li>1. partner is interested in shifting their city to a better and more attractive place to live and visit.</li> <li>2. partner is an expert (or having some experience), which have knowledge and expertise on landscape forming/shaping and would be able to share best practices.</li> <li>3. partner has already organized (or is willing to) organize a voluntary ACT in their city to change chosen place, park, etc and to plant some flowers or other plants (plants will not be financed by the project).</li> </ol> |
| <b>Financial aspects:</b>                               | Partners, according to the budget will get travel expenses covered, accommodation, catering. If preferred and needed, partners might have to purchase plants.   |
| <b>Contact person:</b>                                  | <p>Name: Giedre Ringyte</p> <p>Title/Profession: Chief specialist</p> <p>E-mail: giedre.ringyte@gmail.com</p> <p>Tel. +37044574139</p> <p>Website: www.kretinga.lt</p>  |
