

## Application for being partners

<b>Programme:</b>	JUSTICE PROGRAMME (2014-2020) Supporting initiatives in the field of anti-drug policies
<b>Call</b>	JUST-2016-AG-DRUGS
<b>Deadline:</b>	18th October 2016 – 17:00h CET
<b>Contact person:</b>	Mrs. M. ÁNGELES DE ÁLVARO PRIETO. Head of the Unit of Assistance to drug addicts. Regional Government of Castilla y León. Email: <a href="mailto:mangeles.dealvaro@jcyl.es">mangeles.dealvaro@jcyl.es</a> Tel. +34 983 412 291/ 805 430
<b>Public body:</b>	REGIONAL COMMISSIONER FOR DRUG. SOCIAL SERVICES MANAGEMENT IN THE REGIONAL GOVERNMENT OF CASTILLA Y LEÓN.
<b>Objectives of the Project:</b>	<ol style="list-style-type: none"><li>1. To promote the practical application of research in the field of drug addiction and its related criminal and legal issues.</li><li>2. To support and reinforce the role of other local organisations through the application of better collaboration methods.</li><li>3. To increase knowledge in the field of drug addiction and its related criminal and legal issues.</li></ol>
<b>Priorities:</b>	<ol style="list-style-type: none"><li>1. To provide legal assistance in drug addicts assistance centres.</li><li>2. To provide counselling services to drug addicts and their families on legal issues and also to Justice Administration staff (judges, public prosecutors and lawyers).</li><li>3. To monitor drug addiction attention programmes in prisons.</li><li>4. To facilitate the implementation of alternative measures to deprivation of liberty in drug addicts assistance centres.</li><li>5. To provide assistance to minors and young drug addicts who have committed any fault.</li></ol>
<b>Project's abstract:</b>	<p>The aim of this Project is to foster the social reintegration of drug addicts with related criminal and legal issues through the collaboration with public bodies and non-profit organisations duly authorised to assist drug addicts.</p> <p>The objective is also to develop legal coordination committees at local level and to elaborate scientific conclusions based on the results obtained through the practical application of these programmes in different EU countries.</p> <p>The systematisation of these interventions in different EU countries will increase the information about the effectiveness of these interventions and will help to better controlling these situations in the future.</p>
<b>Kind of partners:</b>	European public or private entities with interest and/or experience in drug addictions linked to criminal and legal issues. We are looking for partners who wish to lead a project on this field.
<b>Key words:</b>	<ul style="list-style-type: none"><li>- Drug addiction</li><li>- Criminal and legal issues</li></ul>
